

The Gastroenterology Center of Virginia, PLLC
11440 Commerce Park Drive #LL-4
Reston, VA 20191
703-766-2600

- **ARRIVAL TIME:** The building's security system is in place until 6:45am. If your procedure is scheduled for 7:30am, please do not arrive before 6:45am. If your procedure is at any other time of the day, you are required to arrive 1 hour prior to your scheduled time.
- **PARKING:** The designated parking garage for the Center is located to the right of the building. There are some designated parking spaces- "GCV"- in the back of the garage or you can park in any space available. If you should park on another level please be sure you take the elevator to level "B." The covered walkway will lead you into the building, take the elevator down to level "LL" and make a right. The glass door on the left after the restrooms is where the Center is located.
- Wear comfortable clothing.
- Bring a photo ID plus your health insurance card(s).
- You will be sedated for your procedure and you will be required to have a responsible adult available to take you home approximately 2 hours from the time you arrive. If you do not have a ride home, you can contact Buckley's at 703-390-0535 and arrange for them to take you home. They will explain their fees when you contact them. It is not acceptable to arrange for a taxi. Buckley's is a patient car service equipped to deal with patients post-anesthesia.
- You are required to complete the **Pre-Op Assessment** located on this website prior to your procedure. The nurses will review your information to screen you for anesthesia purposes. They will contact you only if they have further questions regarding the information you provided on this Assessment.
- The insurance department may contact you 1-2 weeks prior to your procedure date to discuss your benefits. The Center collects any co-pays, co-insurance, and/or deductible amounts on the day of the procedure. You are encouraged to contact your insurance company directly to find out the benefit coverage associated with your upcoming procedure.
